ADOR -

Ador Welding Ltd. manufactures high-quality welding machine equipment, consumables, welding automation & Robotics, Welding & Cutting Solutions.

Product Range

Welding Consumable

- Welding Electrodes
- Wires & Fluxes
- Brazing Products
- MIG & TIG Wires

Welding Equipment's

- Sheet Metal Arc Welding
- MIG & TIG
- Plasma Cutting
- SAW Welding

Personal Protective equipment's

- Leather Gloves & Aprons
- Sleeve & Leg Guards
- Welding Shields

Product Range

Gas Cutting & Welding

- Gas Cutting Torch
- Gas Welding torch
- Heating torch
- Gas Regulators
- Hose Pipes | Flashback arrestor

CNC Cutting Machines

- Portable CNC Profile Cutting Machine

Other Products

- Welding Automation

STANVAC -

Stanvac Chemicals India Ltd.

Is India's leading manufacturer of “**World Class**” speciality maintenance consumables since 1994.

H.A ENTERPRISES

Product Range

Mechanical Maintenance

- Rust removers & Rust preventives
- Degreasers I Paint Removers
- Zinc Sprays I Fast Drying Paints

Electrical Maintenance

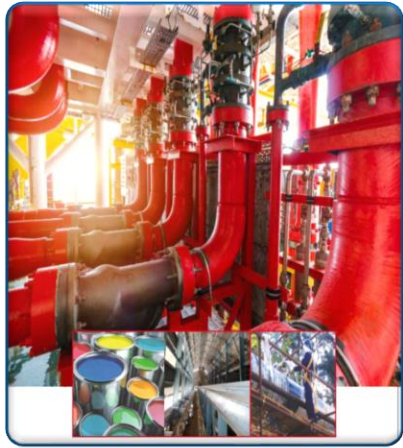

- Contact Cleaners I PCB Cleaners
- Anti Track I Red Varnish
- Floor Insulation Coating I Passive fire protection

Specialty Lubricants

- High Speed Spindle Bearing Grease
- Multipurpose I High Temperature
- Food Grade

Product Range

Metal Protection

- C1-C3 (Production Machinery, Hand rails)
- C4-C5 (General Structures)
- C4 I&M (Rusted Pipeline, Acidic Area's)
- Abrasion I Pipe Wrapping I Boot Sealing

Concrete Protection

- Flooring I Wall Structures
- Silo's I Cooling Tower
- Water proofing I Wall Seepages
- Acid Protection

Specialty Welding Electrode

- Universal Welding Electrode
- Stainless Steel
- Cast Iron
- Hardfacing

Bosch -

Bosch is a leading supplier of technology and services in the areas of Mobility Solutions, Industrial Technology, Consumer Goods, and Energy and Building Technology.

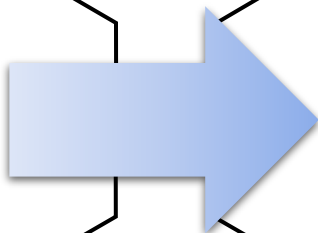

Product Range

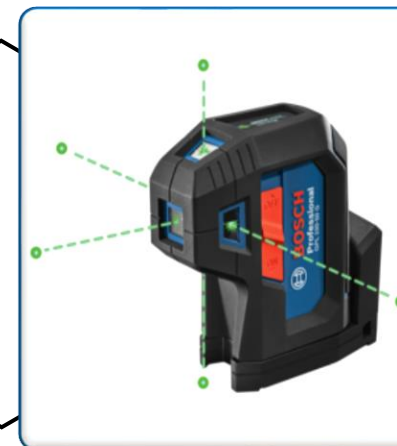

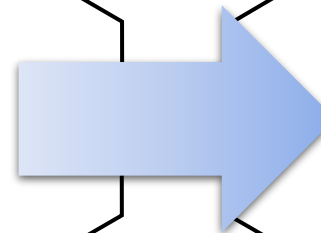

Power tools

- Grinding & Cutting Machines & Tools
- Cordless Equipment's
- Impact wrenches

Power Tool Attachments

- Metal Cutting & Grinding
- Hole Saws | JIG Saw | Circular Saw
- Band Saw Blades
- Drill Bits | Screw Driver Bits

Measuring & layouts

- Laser Measures
- Digital levels | Digital Angle Finders
- Line Lasers | Rotary Lasers

Superon -

Superon Schweisstechnik India Ltd.
established in 2004 is one of India's largest
manufacturer & exporter of Welding Consumables &
Stainless Steel Wires.

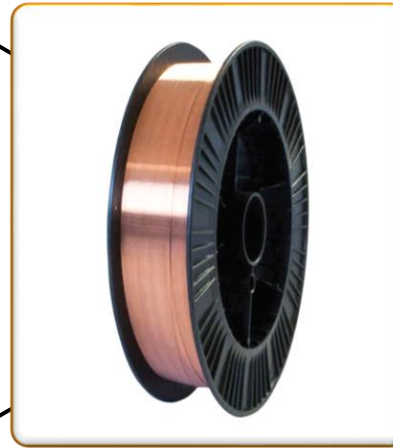

Product Range

Welding Electrodes

- Carbon Steel & Stainless Steel
- Low Alloy
- Cast Iron
- Hardfacing
- Nickel Copper Alloy

MIG & TIG Wires

- 70S-6 MIG Wire
- Stainless Steel MIG
- All kind of TIG Wires

Welding Auxiliaries

- Super Prickling Gel
- Super Nozzle Dip Gel
- Welding Anti Spatter
- DPT Set

BDS -

BDS Maschinen

was founded in 1989, we have been producing magnetic core drill machines, core drills made from high-quality steel grades, bevelling machines for preparing edges and chamfering and deburring machines for the metalworking industry.

Product Range

Magnetic Drilling & Tapping Machines

- Economical Magnetic Drilling
- Heavy Duty Magnetic Drilling
- Magnetic Drilling + Tapping
- Special Purpose Magnetic Drilling

Beveling Machines

- Fully Automatic Beveling
- Portable Beveling Machines
- Chamfering & Deburring Machines

Annular Cutter & Accessories

- TCT Standard I TCT coated
- HSS Cobalt 8%
- And all other accessories

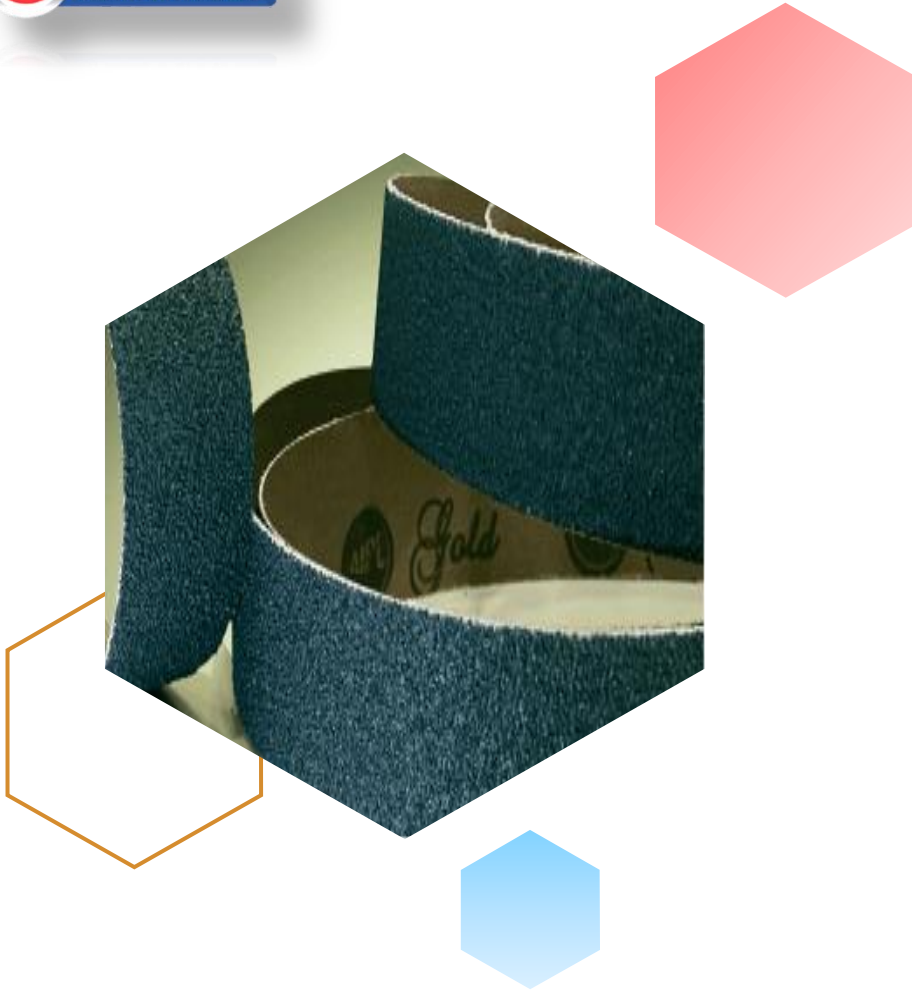

AIPL -

AIPL

are channel partners of ABRO industries inc, USA in India.

We are proud to be associated with ABRO for more than 20 years and our association is growing longer.

Product -

ZIRCONIUM BELTS

- **Benchstand & Backstand Belts**
For Hard to Grind Materials- High Carbon steel, Titanium, SS
- **Centerless, Conveyor & Platen Belts**
Intermediate grinding of stainless steel and carbon steel.
Sanding metallic surfaces for better adhesion properties.
Strip and coil grinding.

Plasma Weld -

Plasma Weld

is Brand of H.A Enterprises. It has a Complete Range of specialty Welding Electrode.

Products -

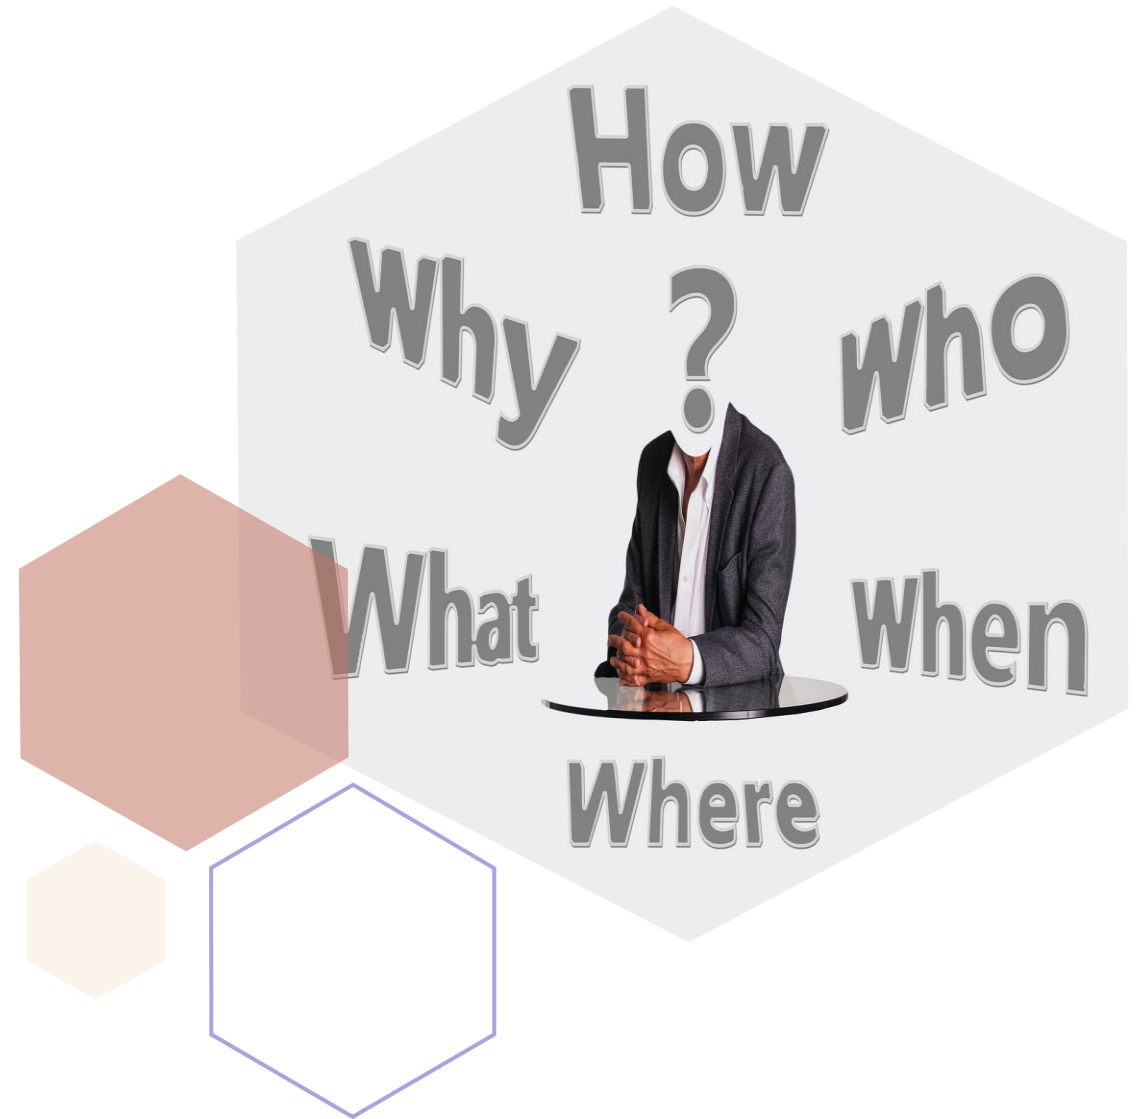

Specialty Welding Electrodes

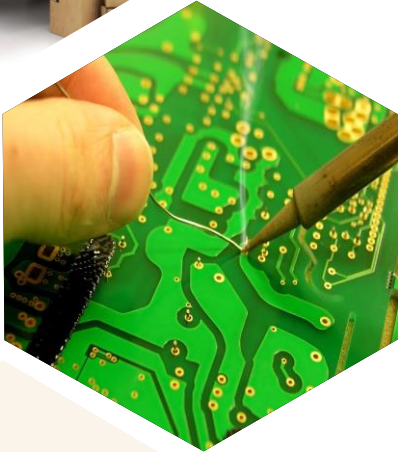

Cast Iron welding
Low alloy Steel
Hardfacing
Die Build up
Copper & Brass Welding
Monel/Inconel Electrodes
Aluminum Bronze

Consultancy Service -

We also Provide Free Consultancy services for

- Recommendations for Welding Electrodes & Machines.
- Application Assistances for Hard to weld Materials.
- General Problem Solving's & Solutions.

WHY US?

In-House & On-Site Service & Repair

We have In-House Facility of repairing & Service of **Welding Machines , Power Tools.**

Door Delivery Facility

We have Dedicated team to Process and Deliver your order on Time.

Thank you !
